www.brooksideangus.com

Welcome to the Brookside Bull and Heifer Sale!

We would like to welcome you to our 4th annual Bull and Select Female Sale! We would personally like to thank you for your continued support. This year our sale will also be online at DLMS.

Our goal never changes, producing top quality bulls and heifers that will continue to improve your herd. This group of bulls and heifers come from a great group of AI and herd sires that keep strong maternal traits in mind: Paintrock Trapper, Baldrige Beast Mode B074, SAV Abundance 6117, Sitz Upward 307R, VIN-MAR Johnny Cash 3513, Mohnen Success 187, SAV Sensation 8871 and Brookmore Right Answer 13A.

We understand that a purchase of a future herd bull is an important investment. We are confident and believe that this set of bulls in this years offering will fit into any program. If you are looking for a bull with extra growth, thickness, length and frame while maintaining structural soundness, without sacrificing maternal traits, there will be a bull for you.

We take pride in being a family run operation, and would like to thank all of our family and friends who helped make our sale possible. A big thank you to Cody and Doug for helping get the bulls ready. We appreciate and would like to thank Barb Hart for her continued support.

It would be nice to be able to predict the future and to know what the COVID rules will be by the end of February in Manitoba, unfortunately the rules are always changing. With the unknown ahead, we would greatly appreciate if you put some time aside to be able to view the bulls and heifers anytime at the farm prior to the sale in order to help limit the traffic at the Neepawa Ag Complex days prior to the sale. The bulls and heifers will be in Neepawa on February 21st for viewing. If you have any questions on the bulls and heifers prior to our sale, please don't hesitate to call.

We hope to see you in February!

Derrick, Megan, William and Huxton Dilatic

and from Castlerock

Welcome to the Brookside Bull and Female Sale! A very strong offering of bulls that have the commercial cattle breeder in mind in regards to performance, hair, soundness and longevity! This all leading to profitability in the resulting progeny. These beef bulls have been developed with a high roughage ration in mind with long hay to keep the stomach working right!

Some new sire groups this year starting with the Trappers, deep bodied, big barreled bulls the the extra fleshing ability that will really go towards making replacement females with that early pay weight to sell calves in the fall. A large group of Abundance bulls are quite exciting as they have that extra length, bone and performance is noticeable and very much appreciated. The style and presence of the Success calves will immediately catch your eye in the pen as well as the first set of calves out of the walking sire purchased from SAV, the Sensation calves while being a little younger certainly make a person excited for their potential as a bull who checks a lot of boxes. A small group of purebred heifers will also be on offer to represent the sire groups and their potential on the female side of things.

We invite you to stop by the farm prior to the sale to preview the bulls in their environment while being able to discuss the bulls and your needs with Derrick one on one. The bulls will be available for viewing the day prior to the sale in Neepawa at your leisure.

Should you have any questions feel welcome to contact Derrick or myself in regards to the bulls. A sight unseen option is absolve if you're unable to attend or join us live with DLMS.

See you sale day!

Shane Castle
