Welcome to the Brookside Bull and Heifer Sale!

We would like to welcome you to our 3rd annual Bull and Select Female Sale! We would personally like to thank our customers, who keep our program running. Our goal never changes, producing top quality bulls and heifers that will continue to improve your herd.

This year we are proud to offer a great selection of very athletic bulls that are ready to get out, move well and service your herd with no problems for years to come. Our bulls and heifers come from a great group of AI and herd sires that keep strong maternal traits in mind: Baldrige Beast Mode B074, SAV Abundance 6117, Ellingson Homegrown 6035, Sitz Upward 307R, Bruin Breaking News 2201, MAR Innovation 251, VIN-MAR Johnny Cash 3513, SSF Double Vision 14D and Remitall International 157D. We continue to believe the best part of our sale is the proven experienced mother Brookmore cows that stand behind them.

We understand that a purchase of a future herd bull is an important investment. We are confident and believe that this set of bulls in this years offering will fit into any program. If you are looking for a bull with extra growth, thickness, length and frame while maintaining structural soundness, without sacrificing maternal traits, there will be a bull for you. You can be confident in this group of females that will become excellent cows in any herd.

We take pride in being a family run operation, and would like to thank all of our family and friends who helped make our sale possible. A big thank you to Cody, Andrew, Boyd and Doug for helping get the bulls ready. Also, a thank you to all our family for their behind the scenes sale day preparation. We cannot thank Barb Hart enough for her continued support, enthusiasm and wealth of knowledge.

Join us February 26th at the Neepawa Ag Complex for lunch at 11:30 and the sale at 1:00! The bulls and heifers will be available for viewing February 25th in Neepawa. For viewing of the bulls and heifers at the farm prior to our sale, please give us a call.

We hope to see you February 26th.

Derrick, Megan, William and Huxton Dilatic

and from Castlerock

Welcome to the Brookside Angus Bull and Female Sale, Derrick and Megan have a stellar lineup of genetics for you again in 2020. This year on offers are some fresh sire groups by Linz Accuracy whose progeny have lots of style and length to them while the Baldrige Beast Mode calves will surely catch your eyes with the big bodied, easy doing stature and loads of eye appeal. The Ellingson Homegrown sons are fresh genetics for your heifer pasture and you can be certain of their calving abilities, you will also spot the Accuracy calves which are appealing with their frame and overall confirmation. The offering consists of bulls for various needs in regards to high power bulls to the bulls that check a lot of boxes and to the bulls which are suitable for heifers. Most importantly you can rest assure that the effort gone into calving these bulls last winter was at it peak through the cold weather, ears and tails are expensive. Derrick is a very conscientious breeder wanting to make the next step each year on his cows and if you've listened to him he focuses on mother cow first and foremost.

Feel free to contact Derrick in regards to having a look at the bulls prior to the sale or join us in Neepawa on the afternoon of the 25th for a viewing of the bulls with the sale being at 1pm on the 26th. If you have any questions feel free to contact any of us we are here to help!

See you sale day!
